Why “Fitting Out”?

“Fitting Out” refers to the preparation of a ship with all she needs to perform her duties at sea after laying up for the winter.

Got Boat/Yacht stuff that you don't need/use any more? Free yourself of your clutter! You might be storing something that could be of use to someone else. Tables will be set up to display your treasures. We just kindly ask you to reclaim anything not chosen at the end of the event.

So, whether you are fitting out your boat or are just aching to get out to enjoy fun and friendship on the lake, come to the annual “Fitting Out” party.

RSVP no later than **May 17** using the link below:
