

## **Celebrating the Commodore's Ball**

### **PC Don Smolenski**

Congratulations to the happy and proud new Commodore  
Good thing he doesn't yet know just what the heck he's in for!  
Fame, fortune, prestige – they're all really just a mirage  
But what did you expect? Our clubhouse is a garage!  
All things considered, it's a good twist of fate,  
The events and camaraderie are always first rate.  
There certainly is quite a lot of work, to be clear.  
You will definitely anticipate being PC at this time next year.  
Feather Bowling, sail races, chili cook offs, rendezvous,  
Sumptuous breakfasts and more – there's always plenty to do!  
In all the events over all the seasons of the year,  
You'll enjoy great company and, of course, many a beer.  
In truth, being Commodore of this busy little hub  
Is a pleasure and privilege – it's a great little club!
